RE: Mr. Kyle Hennessy

Dear Sirs,

I would like to take just a moment to express my appreciation to you and Mr. Hennessy.

Over the last 25 years I have dealt with a lot of azrd services. Retriever is absolutely the best. Mr. Hennessy came into the office and was very thorough in explaining the advantages of his system. Everything he promised was delivered upon. My rates are lower, the tally is in my account the next day, the equipment works well, and supplies are free.

I am so happy with the service that I recommended it to my father who is now a client as well. Please feel free to have any prospective clients call me with any questions.

Sincerely,

[REDACTED]
