Letter of Recommendation

To Whom It May Concern:

Re: Steven Rogers

We signed our contract with Retriever October 2007. The services that have been provided to us have been outstanding. This company has proven its self time after time. Our monthly statements are very easy to read and understand.

Mr. Steven Rogers is a professional, and represents Retriever with excellent experience and knowledge.

We would recommend Retriever to any dental or health facility that wants an opportunity to save some money.

Please feel free to call our office if you have any questions.

Sincerely,

[Handwritten Signature]
