Dear Sir:

Jared Gaines had promised us a refund of any fee for closing our old accounts. I was skeptical that this would happen, so when I received my check in the amount of \$1,000.00, I was delighted to realize that some companies do keep their promises.

Jared was very helpful in setting up our accounts and helping me to train our employees on the use of the new equipment. Doing business with Retriever has been a pleasure so far. And a special thanks to Jared Gaines for helping me thru the paperwork and setting up our accounts.

Sincerely,
